

Schienali cucina Kitchen back panels

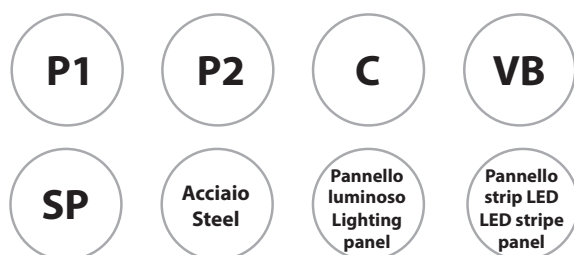

Schienali cucina magnetici disponibili in acciaio, metallo verniciato, ceramica, specchio, vetro retro-laccato e vetro illuminato. Abbinabili alle collezioni di accessori cucina magnetici Caren e Pryma, ma compatibili anche con tutti gli altri accessori magnetici del catalogo Ronda Design. Progettati e realizzati su misura, per rispondere con la massima flessibilità alle esigenze progettuali di ogni cucina. Installazione possibile su qualsiasi superficie piana in muratura, cartongesso, legno e piastrellata, grazie alle diverse opzioni di fissaggio (viti, colla, magneti).

Magnetic kitchen back panels available in steel, painted metal, ceramic, mirror, back-lacquered glass and illuminated glass. They can be combined with the Caren and Pryma collections of magnetic kitchen accessories, but are also compatible with all other magnetic accessories in the Ronda Design catalogue. Designed and made-to-measure, to meet the design requirements of every kitchen with maximum flexibility. Installation is possible on any flat masonry, plasterboard, wood and tiled surface, thanks to the various fixing options provided (screws, glue, magnets).
